### Dr. Gilleo joins Mirror Semi's technical advisory board

IRVINE, Calif.—Dr. Ken Gilleo, author, inventor and consultant, has joined the technical advisory board (TAB) of Mirror Semiconductor Inc.

Currently owner of ET-Trends LLC, Warwick, R.I., Dr. Gilleo's most recent book is *MEMS/MOEMS Packaging*, published by McGraw-Hill, N.Y.

Dr. Gilleo is also vice president for technical programs at the SMTA, Edina, Minn., and technical co-chair for the fourth annual *International Wafer-Level Packaging Conference* in San Jose, September 17-19 [smta.org/iwlpc].

Dr. Ken  
Gilleo

"The breadth and depth of Ken's knowledge of semiconductor packaging will add a new and significant dimension to our TAB," said Martin hart, president of Mirror Semiconductor. [mirrorsemi.com]
